XThe Arizona Republic Sun., Dec. 11, 1977

Only two teams stopped Washington's high powered offensive machine, and neither of those decision was by a large score. Mike Pagle, the Rams' all-state quarterback, is one of the best ever produced in Arizona. During the regular season Pagel completed 59 percent of his passes (100-179) for 1,415 yards and 10 touchdowns.

His arm carreid the Rams to the state finals, where they led in the fourth period before falling to McClintock. Pagel, another prospect high on the list of college recruiters, has an uncanny knack of getting away from would-be tacklers to get his passes away. He picks out secondary receivers well.

Jon Ross of Washington also earned all-state acclaim. He caught 28 of Pagels passes and rushed for 1,125 yards with a 6.8 yards per carry average.

While Pagel and Ross received much of the credit for the Rams' success, Jay Yahner keyed an under-rated defense. He was in on 104 tackles.

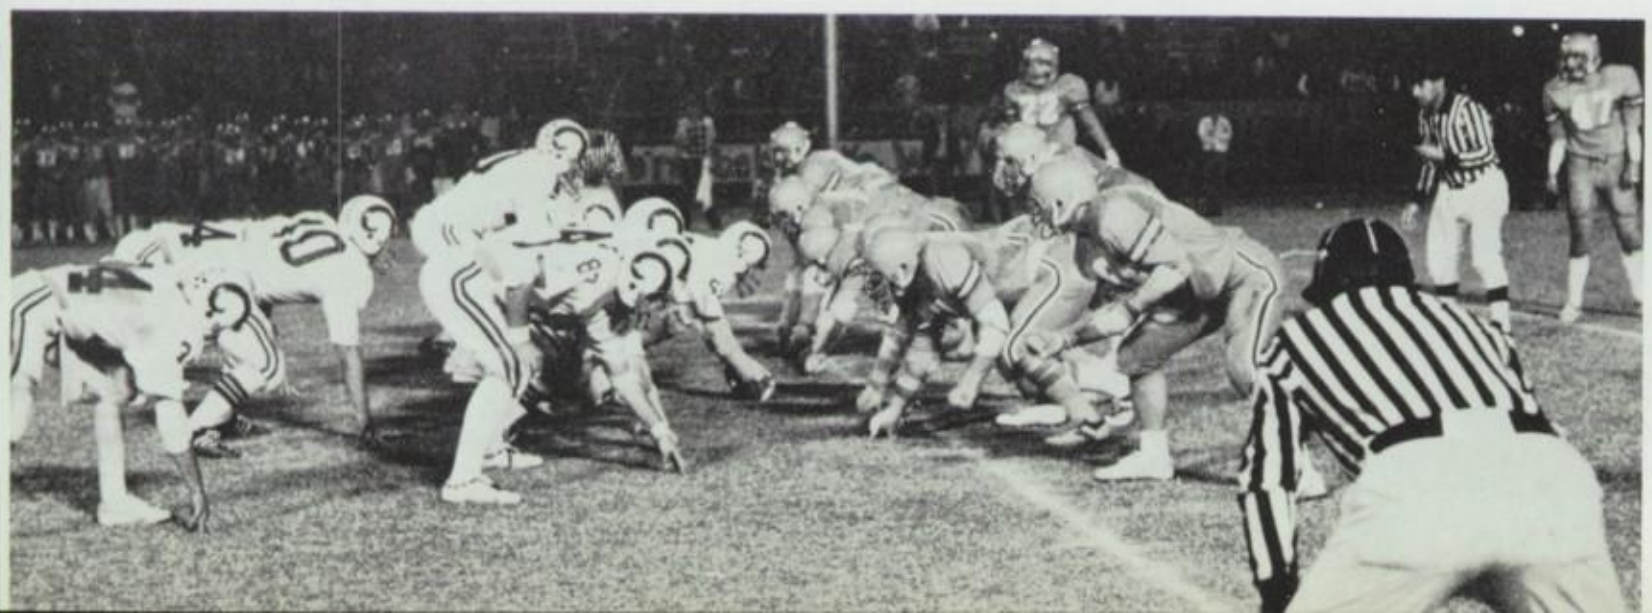
'COACH OF THE YEAR,"
Dave Swerdfeger

The Phoenix Gazette Sat., Dec. 10, 1977

And Swerdfeger reigns as Gazette Coach of the Year after taking a team that wasn't even supposed to make the playoffs — picked third in Skyline Division League B behind Moon Valley and St. Mary's — within a whisker of the state championship.

Jon Ross shows the skill he has had all year long by running through Glendale tacklers.

WILL & SKILL = Ram Power



This is a tribute to the Rams in their successful win over Westwood.

We believe in practicing what we preach.

You've probably seen or heard our advertising on television or radio. We don't talk very much about cars; instead we talk about our dealership and our people.

We also stress service, selection, and fair prices the year around.

But most important, we believe in practicing what we preach. That means we want to treat you, the way we want to be treated, when we spend our money.

Nothing complicated about it, but it's one of the important reasons why we've been pleasing customers for so many years now.

So if you're in the market for a new car, remember, we work hard every day to practice what we preach.

60 years away from now
when you are old and grey,
you'll pick up with your wrinkly hands
this book that has decayed.
You'll think about the years before
and a smile will appear
your old prune lips will murmur words
saying, "Wasn't that a real-great year!"
Wishing you all the best,

Amy:
It has been an interesting year! I've enjoyed it though and I must say I've enjoyed your company more this year than the last, if you will notice we did not fight as much this year. You are a sweet and kind person. You always had a good word for me, when I was low. You helped me out when I needed it. I appreciate it greatly. We have had our good times, and a lot of fun in the plays. I'm sure that I will see you after I am gone and even if I don't always remember you as a friend. I WANT TO BE HAPPY"

Lots of love,
Mike
